

June 2022 Gas Supply Charge

Effective June 1, 2022, the Off-Peak Gas Adjustment Factor (GAF) will increase from the current charge of \$0.6479 to \$1.2281 per therm. This increase is the result of higher gas costs. The cost of gas is a straight pass through cost in which Liberty makes no profit.

Energy Efficiency Options

Sign up for a no-cost home assessment with an Energy Specialist and get a personalized report on how to save energy and improve comfort. Call 1-866-527-7283 to sign up or take an online assessment at [MassSave.com](https://masssave.com). During your assessment, receive no-cost installation of qualifying products such as low-flow showerheads and programmable thermostats.

Additional incentives available including:

- 75% to 100% off insulation, plus no-cost air sealing of leaks in drafty areas of your home
- 0% financing
- Up to \$2,750 off high efficiency heating equipment
